

By participating to the Summer School provided by the University of Trento you will have the unique chance to visit some of the most beautiful places in Italy. If you like nature, mountains, lakes, history, culture and good food... then Trentino Alto-Adige is the right place for you.

TRENTO

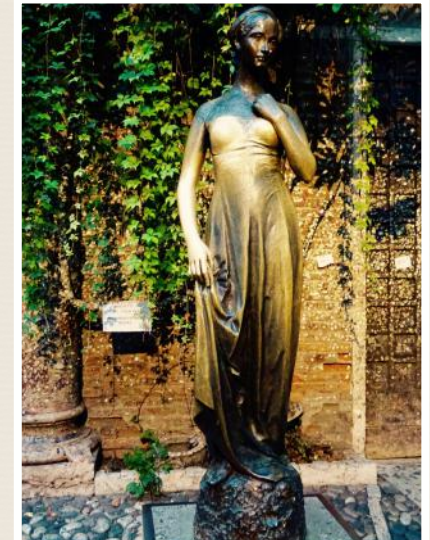

Trento, the city in which the Summer School will take place, is surrounded by the Dolomites. Even though it's quite a small city, it offers a lot of touristic and cultural attractions: Piazza Duomo, MuSe (Museum of Sciences, designed by Renzo Piano), Castello del Buonconsiglio, Cattedrale di San Virgilio, excellent restaurants and aperitifs in old Castels where you will drink some of the best Italian wines.

Some interesting activities and places to visit can be found here <http://www.tr3ntino.it/it/trentino/> (like for instance the beautiful Lake of Garda).

VERONA

“O Romeo, Romeo, wherefore art thou Romeo?
Deny thy father and refuse thy name;
Or if thou wilt not, be but sworn my love
And I'll no longer be a Capulet.”

Verona, lovers' city, has been awarded World Heritage Site status by UNESCO. Visit the famous Arena, Piazza delle Erbe, Castelvecchio, Piazza dei Signori and more attractions.

While attending the Summer School you will also have the time to join Italy. Since Trento is very close to other Italian cities, it will be really easy to visit them. You just have to take a local train and you will reach several places in a short time.
