Meeting of the European Mathematical Psychology Group (EMPG 2022)

5 - 7 September 2022
Palazzo Piomarta, corso Bettini, 84
Rovereto (TN) - Italy

After 2 years of interruption we are finally back! The meeting will be held at the Department of Psychology and Cognitive Science at the University of Trento, Italy, from Monday, September 5, to Wednesday, September 7, 2022.

The aim of EMPG is to provide a unique forum for researchers from a range of perspectives who are interested in all aspects of Mathematical Psychology.

Some relevant topics include, but are not limited to: Perception and Psychophysics, Models of Cognition and Learning, Knowledge Structures, Measurement and Scaling, Psychometrics, Computational Methods, Statistical Methods, Mathematical Models, Bayesian Models.

The meeting is organized by Luigi Lombardi with support by Francesca Freuli, Massimo Stella, Andrea Zagaria and the Communication and Events Office team.

Further information about the meeting, programme, registration, fees and abstract submission will be available soon on the event website

https://event.unitn.it/empg2022

Important deadlines
Abstract submission closes: **July 20, 2022**
Notification of acceptance: **July 27, 2022**
Early registration closes: **August 8, 2022**

Keynote Speakers
Gregory Ashby, University of California, Santa Barbara, USA
Hans Colonius, University of Oldenburg, Germany
Rocio Alcalá-Quintana, Universidad Complutense Madrid, Spain

Scientific Committee
Luigi Burigana, University of Padua, Italy
Adele Diederich, Jacobs University, Bremen, Germany
Matthias Gondan, Universität Innsbruck, Austria
Jürgen Heller, Eberhard Karls Universität Tübingen, Germany
Veronika Lerche, Christian-Albrechts-Universität zu Kiel, Germany
Luigi Lombardi, University of Trento, Italy
Luca Stefanutti, University of Padua, Italy
