Hints for Short Stay Accommodation in Trento for students

University of Trento’s Departments and Centres are located in different areas.

By clicking on each academic Structure you can find the link to the geo-localization.

In Trento city centre of Trento:

- Economics and Management, Humanities, Sociology and Social Research, Law Departments and the School of International Studies are located between Via Inama, Via Tommaso Gar and Via Verdi.

- The Centre for Medical Sciences is located in Via Santa Maddalena not far from the other city Departments.

On the hills over Trento (bus n. 5 needed from the town centre):

- In Povo: Cellular Computational and Integrative Biology, Industrial Engineering, Information Engineering and Computer Science, Mathematics and Physics Departments, via Sommarive.

- In Mesiano: Civil, Environmental and Mechanical Engineering Department (20 minutes on foot from Povo, served by bus also) via Mesiano, 77.

In Rovereto (15 minutes by train from Trento):

- Psychology and Cognitive Sciences Department and the Center for Mind/Brain Sciences – CIMeC, in corso Bettini (one opposite the other).

Here follows a non exhaustive list of possible solutions for short stay accommodation. UniTrento is not responsible in any way for the suggestions below nor does it take proceeds of any type for the recommendation of the following accommodations.

The whole process of booking and paying for housing is the responsibility of each student.

- On this web page you can find the hotel rates offered to UniTrento guests for Trento and Rovereto. Before booking, make sure about the walking distance to the UniTrento academic Structure where the program takes place, or if it is easily covered by Trentino Trasporti bus service.
