

# INDUSTRIAL PROBLEM SOLVING WITH PHYSICS

July 16 – 21, 2018

Polo Ferrari – Povo, Trento

## How to reach IPSP2018 venues

### Event venue

IPSP2018 will take place at the "**Polo Scientifico e Tecnologico Fabio Ferrari**" building of the University of Trento (Povo 1 and Povo 2 buildings - via Sommarive 5 and 9, Povo, Trento) and at the Department of Physics (Povo 0 building, Laboratories - via Sommarive 14, Povo, Trento).

The three buildings are located in **Povo**, on the eastern district of the city of Trento.

### How to reach Trento

#### By train

There are two railway lines to arrive in Trento:

- the **Brennero** line (from Rome to Innsbruck)
- the **Valsugana** line (from Venice to Trento); for those who come from Venice it is recommended to take the Venice - Verona route and then (using the Brennero line) Verona – Trento, since it is faster.

For more information, please visit the [Trenitalia](http://www.trenitalia.com) website (Italian State Railways Group).

#### By car

To reach Trento by car you can take:

- the State Road of Abetone and Brennero (SS12)
- the Brennero Motorway (A22, from Modena to the Brennero), Trento Sud exit
- the Valsugana Superstrada (SS47), for those coming from Venice
- the State Road of Gardesana Occidentale (SS45 bis), for those coming from Brescia

#### By airplane

You can get to Trento from these main airports:

- **Verona Catullo** (90 km from Trento)
- Venezia Marco Polo (195 km from Trento)
- Milano Linate (245 km from Trento)
- Milano Malpensa (300 km from Trento)
